- ▶ Contractual safeguards including data-processing agreement, breach-notification commitment, and audit cooperation.
- ▶ Operational track record and financial stability.
- ▶ Compatibility with Olyteck's incident-response and customer-notification commitments.

Change management

Material changes to this list - additions, removals, or substitutions of sub-processors that handle customer personal data - are notified to customers at least 30 days before they take effect, in line with our Data Processing Agreement. Customers may object to a new sub-processor under the terms of the DPA.

Issued as-is

This sub-processor disclosure is issued by Olyteck and may be relied upon as-is during prospect evaluation and procurement. A counter-signed copy is provided on customer request as part of the contracting paperwork.
